FACULTY

SUPERINTENDENT'S MESSAGE

The success of our 1950 Brave must be contributed to the untiring efforts of those responsible for the making of our yearbook; to the friendly spirit of cooperation of each faculty member; to the loyalty of the student body; and to the fine support of our advertisers.

To some it has cost effort; to others, time, and to all, money; but we cannot measure its value in either cost of effort, time, or money. We can only measure its value in the pleasure it will bring in time to come by recalling those incidents which have made our school life happy.

Sincerely,

C. D. Allen

CLASS HISTORY

September 11, 1939 thirty boys and girls started their eleven long years of school.

Mrs. Bill George was our teacher. Only four of us are left, they are: Martha Enis, Gladys Higgs, Robert Windle, and Freddie Harvey.

Mrs. Riggs was our 2nd grade teacher. We had gotten used to each other by now, and had also had a few fights and fusses. Patsy Ashcraft joined us this year.

Waide Herd joined us in the 4th grade. Mrs. Minick was our lucky teacher, although she didn't think so then.

Miss Cathlene Gentle was our 5th. grade teacher. Joy Moseley, Margaret Fellers, and Max Davis joined our class. If Miss Cathlene remembers, she had a time trying to keep us from eating candy in class.

Mrs. Sims was our 6th. grade teacher. Dorothy Stanford joined us the last of the year.

In the 7th we had some additions to our class: Billy Curtsinger, now better known as Curt, Lester Marshall and Frank Blakely. Mrs. Burroughs was our teacher.

In the 8th grade Mrs. Lockhart was our teacher. Gladys Higgs was valedictorian. Carlene Anthony was salutatorian. Bobby Kline liked us so well he decided to stay and join us.

Our Freshman year, Joy Moseley left us, but Peggy Perry joined us.

Joe Cobler joined us our Sophomore year. Joy Moseley decided she liked Sanger High so well she moved back.

The big events of our Junior year was ordering our class rings, and the most important, the Junior and Senior banquet.

At last we are the supposedly dignified Seniors. This will be a year long to remember. We are both a little sad and of course very happy. We are truly grateful to all that have helped us through our years of school.

The big day is yet to come, the day of graduation. I think that several of us will look back to the day of our 8th grade graduation and feel almost the same way we did that night. A little sad, but also feeling very happy and most important.

Again we want to express our thanks to those who helped us through our days of school and troubles in Sanger High School.

Martha Enis

CLASS PROPHECY

Ten years have past almost as fast as our Senior year. It's December 22, 1960 and we are having a Christmas party.

Look who's coming in the door. It's Dorothy Stanford. She has been modeling for Power's dress shop.

Dan Wicker has become a lawyer in New Mexico. His wife and two children were not able to come.

Freddie Harvey liked government and economics so well that he is now Governor of Utah.

Patsy Ashcraft is hoping to receive her Masters Degree.

Max Davis is an officer in the Navy. He spends most of his time in the Navy hospital where Peggy Ready is a nurse.

Margaret (Fellers) Lynch is the manager of A. Harris in Dallas. She has two adorable little girls.

Bobby Jim Kline is a singer over Columbia stations. He still hasn't found a steady girl friend.

Billy Jack Curtsinger is married and has six children. His wife is from a rich family in Paris. They live in Bolivar.

Gladys Higgs and Billy Jack gave up farming and moved to Dallas. Gladys is a lawyer for the Swift Meat Plant.

Robert Windle is a movie producer and beauty judge in Florida.

Peggy Perry is an over seas airline hostess from New York to London. She says it is her career.

Lester Marshall is a traveling salesman for the Fuller Brush Company. He still uses his model A Ford.

Frank Blakely is an artist in California and is married to Joan Evans.

Martha (Enis) Stricklin is a secretary in the main office at Bell Telephone Company in Houston. She has three sons and one daughter.

Joe Cobler played for Rice and won All-American fullback. At the present, he is helping Coach Kerns at Sanger.

Joy (Moseley) Burgoon is owner of fine horses. She and Weldon are building a rodeo arena at Lake Dallas.

Benny Harper is a doctor in the Medical Arts Building in Dallas.

Waide Herd couldn't decide whether to bring Mary Lou or Dorothy so he stayed at home.

So ends our party and another ten years of good times.

Patsy Ashcraft

CLASS WILL

We, the Seniors of Sanger High School, class of 1950, being of sound minds, do hereby state and declare this to be our last Will and Testament.

To Mrs. Lockhart the girls leave their thanks for a good coach in volleyball and basketball.

To the School Board we leave the success of keeping a good High School in Sanger.

It is with a feeling of regret that we do hereby bequeath to the Junior Class our right to all good times and fun we had during our Senior year.

Patsy Ashcraft wants Peggy Moseley to have all of her books she carries home.

To Walter Warschun, Frank Blakely leaves his red shirt.

Billy Jack Curtsinger leaves all of the soft drinks and Leddy boots to Bobby Waide.

Joe Cobler leaves his hopes for success to Paul Pace.

Martha Enis wills her ability to get a man and keep him to Bobbie King.

Margo Fellers leaves her success in keeping people in suspense to Jerri Cooper.

To Spencer Gary, Freddie Harvey leaves Miss Holt and his seat in civics.

Waide Herd leaves his ability to keep well groomed hair to Billy John Golliday.

Gladys Higgs leaves her ability to be the first girl in the Senior Class to get married, to Peggy Ready.

Benney Harper wants J. A. Maughn to have all of his extra girl friends.

Bobby Jim (Jim Bob) Kline leaves his nickname and jokes to Billy Ezell.

Joy Moseley leaves her ability to keep a cowboy through high school, to Doris Belcher.

Peggy Perry leaves her friendly ways toward everyone to Claudette Sullivan.

Dorothy wills her priceless giggles to Doreen Kline.

Dan Wicker leaves his sportsmanship to Roy Wayne Harper.

Robert Wildle leaves his good looks to Martin Cole.

Lester Marshall wills his ability to stop a model A to Frog Rippey.

To the Sophomores we leave our noisy class rooms.

To the Freshman we leave our courage.
